Dear Nevada Funeral Director,

The purpose of this letter is to inform Nevada Funeral Directors of the standardization of Military Funeral Honors.

Department of Defense Directive number 1300.15 states that Military Funeral Honors details will be standardized. Two variations for Military Funeral Honors are authorized:

1.) **Basic Honors Detail:** The Basic Honors detail will consist of 1 Non-commissioned Officer in Charge/ Officer in Charge and 1 Service Member. This will consist of the playing of TAPS and a two person flag fold. The two person detail will be authorized to provide Funeral Honors for Veterans. Eligible Veterans are defined as former Service Members who received an Honorable Discharge.

2.) **Full Honors Detail.** The Full Honors detail consists of 1 Non-commissioned Officer in Charge/ Officer in Charge, 5 Service Members, and a Bugler. The Full Honors detail will have a three soldier firing party and a Firing Party Commanding, as well as 3 person flag fold and the playing of taps. The seven person detail will be authorized to provide Funeral Honors for the following:

- Retired Service Members with over 20 years of service.
- Service Members killed in action.
- Medal of Honor recipients.

Please don't hesitate to call with any questions, comments or suggestions and thank you for your support.

Sincerely,
